1. Bourbon Basket

Donated by David & Jane Zylstra

For the bourbon lover, here's your chance to receive four unique bottles of bourbon. You'll also receive a set of four bourbon glasses with a decanter and two sphere ice ball molds.

- **A Midwinternights Dram Limited Engagement:** High West A Midwinter Night's Dram is a limited release of High West Rendezvous Rye finished in French oak and port barrels. This fine whiskey blends older straight ryes aged from 5 to 19 years in charred white oak barrels. This 98.6-proof whiskey is rich and full bodied with dried fruits, fig syrup, and candied ginger, finished with spiced blackberries, cloves and cinnamon.
- **Elijah Craig Small Batch 2017 Whiskey of the Year:** Elijah Craig Barrel Proof was named Whisky Advocate's 2017 Whisky of the Year. The Elijah Craig family of Bourbons is led by the flagship Elijah Craig Small Batch, made exclusively from batches of 200 barrels or less of 8 to 12-Year-Old Bourbon. First brought to market in 1986, Heaven Hill's Master Distillers were selecting a small number of barrels of the finest Bourbon to make Elijah Craig long before the term "small batch" even existed. It is this attention to detail and superb craftsmanship that give Elijah Craig an ideal balance of age, robust body and rich flavor. This signature spirit bears the name of the Rev. Elijah Craig, "The Father of Bourbon" who established his distillery in 1789. He is credited with being the first distiller to age his Kentucky whiskey in charred oak barrels. The clear, unaged corn liquor became transformed into a bold amber liquid with a distinctively smooth flavor that makes Bourbon what it is.
- **Calumet Farm Kentucky Bourbon Single Back Black 10 Year:** This offering matures on a single, center cut rack for over 10 years. Then this extremely small batch of 19 barrels is crafted into one of our premier bourbons.
- **Little Book Noe Simple Task 2018:** Little Book is the annual limited edition whiskey series featuring new, unique blends created by Freddie Noe, 8th generation distiller of the Beam family. Little Book first launched in 2017 with the first "chapter" in the series, The Easy. The follow up, Noe Simple Task, took twice as long to settle on the final result, hence the name. The blend consists of 8 year-old Kentucky straight rye at 119.8 proof, 13 year-old Canadian rye whiskey at 111.9 proof, and 40 year-old Canadian whisky at 137.8 proof.
