

# Connect With R.E.C. Connect

March 2020

## February Highlights

In February, members had the opportunity to learn how to make homemade pot pies and stew with Chef Scott. With the cold weather, it was nice to get warmed up by these delicious meals! Also, members had a blast dancing, spending time with friends and playing Bingo at the annual Snow Ball Dance. We also got to explore at the Grand Rapids Public Museum and go out to eat at Applebee's, during Friday Fun! As you can see February's gloomy weather didn't hold us back from having fun, FUN, FUN!

## March is here

March's calendar is out with plenty of fun activities to look forward to! Members will enjoy cheering on the Griffin's at the Van Andel Arena, and the Grand Rapids Drive basketball game at the Deltaplex! Another special event is the annual Dance On with our friends from Arts in Motion Studios! And, of course our Harry Potter Viewing Club will continue – Order of the Phoenix #5! If attending a sporting event, or putting on dancing shoes isn't your thing – no worries! There are many other opportunities that might interest members this month! Check out our calendar at

<http://ikuslife.org/rec-connect/> We look forward to seeing you this month!

These programs and services are made possible with funding from the Community Mental Health of Ottawa County Mental Health Millage.
