

Connect With R.E.C. Connect

October 2020

September Highlights

In September, members had the opportunity to sing karaoke to their favorite songs, while their friends played guitar, drums and various percussion instruments in the back ground! There were opportunities each week to garden with Chef Scott and then learn how to cook delicious meals based around what was picked from the garden! Members had a blast creating boats out of foil and seeing how much weight each could hold during one of the morning programs!

October

There are plenty of fun in-person and virtual activities in the month of October to look forward to! R.E.C. Connect members will have the opportunity to go to the apple orchard, Frederick Meijer Gardens, John Ball Zoo, and get into the Halloween spirit while painting pumpkins. Please sign up as early as possible to reserve your spot!
