October 2019

September Highlights

This month was a busy but fun one as we had some new experiences and some old favorite activities! Members had the opportunity to experience the Native American Pow Wow at Grand Valley State University as well as see the art work displayed for Art Prize Project 1 in downtown Grand Rapids. We also had fun checking out old hot rod cars – love those classics – and browsing close to 100 craft booths at the Allendale Fall Festival. Music Creation was another big hit this month! Members got to fine tune their music making skills and sing karaoke to their favorite songs. And let's not forget one of our ongoing favorite classes is cooking and baking tasty recipes with Chef Scott!

October

October's calendar is now available, and there are plenty of fun fall-themed activities to look forward to! Members will enjoy cheering for the Lakers at the GVSU football game, visiting Robinette's Apple Orchard, celebrating fall at Trick or Treat Street and so much more! We look forward to seeing you this month!
