Indian Trails Camp’s goal is to enable as many individuals as possible to experience the magic and fun of a camp setting. However, scholarship funds are limited, and only made possible by the generosity of many individuals, families and organizations. Therefore, campers are eligible for a maximum of a one week scholarship per year. To ensure access to, and equitable distribution of available scholarship funds, please apply as soon as a financial need is recognized. Respite scholarships should be submitted at the time of registration. Notification generally occurs within one month of receipt.

PLEASE NOTE: A scholarship is not guaranteed upon application. The scholarship amount granted may be less than the amount requested. We also may not be able to provide a scholarship for the session requested, but we will do our best to accommodate your preference. Incomplete applications will NOT be considered. Please make sure that all requested information is provided.
